Get recognized as DSIR R&D center

Benefits: Hi, I am Dr Aman Sharma, Founder & Director of ExoCan Healthcare Technologies Pvt Ltd. I wanted DSIR recognition for my company, mainly because it provides 100% exemption in Custom duty for capital goods imported for R & D purpose, and it certifies R&D capabilities of your centre. R & D units recognized by DSIR are also eligible for receiving funds for R & D purpose from various government departments and agencies such as DST, DBT, CSIR, ICMR, ICAR and TDB.

To know detailed benefits of getting the recognition, click on the link (<http://www.dsir.gov.in/forms/irdpp/Application%20for%20R&D.pdf>).

How to apply:

An instruction for filling form is also provided in the above link. For detailed instruction for filling the application form, follow these links- (<http://www.dsir.gov.in/tenders/rditender07a2.pdf>)

(<http://www2.deloitte.com/content/dam/Deloitte/in/Documents/tax/in-tax-rd-placemat-noexp.pdf>)

The applicants seeking fresh recognition are required to submit online application through DSIR website (www.dsir.gov.in) or through the Portal Link: (<http://dsir.csir.res.in/DSIRPrograms/Login/Default.aspx>). After successful submission of online application send one set of hard copy (.pdf, generated by the system) signed by the Head/Chairman/Director of the Organization to DSIR.

Procedure:

New guidelines (https://www.pwc.in/assets/pdfs/news-alert-tax/2014/pwc_news_alert_24_june_2014_new_guidelines_issued_for_approval_of_in-house_randd_centres.pdf)

For complete details of DSIR recognition, follow the link (http://www.anusandhan.net/snt_system/Policy_44.htm)

For E-book of DSIR, click on this link (<http://dsir.csir.res.in/webdsir/files/e-book/index.html#p=50>)

Validity: The recognition, once received is valid for 3years from the date of the receipt of the recognition. It is to be renewed again for next 3 years by a simple process of renewal.

Time period: As the R & D recognition is approved by DSIR after the various stages, it takes approx. 3-4 months to receive the in-house R & D recognition. I applied in July, 2015, and was interviewed in Delhi in November, 2015. In January, 2016 I got few emails from DSIR regarding some of the other company details. Certificate was finally issued in March, 2016
