### MENTOR

**Mugdha Lele**

Mugdha is Manager - Social Innovations at Venture Center. She is responsible for conceptualizing and implementing social innovation and entrepreneurship activities at Venture Center, where as part of this she also drives the Social Innovation Immersion Program at Venture Center. She serves on the Board of Directors of Annweshan Innovations Pvt Ltd (a diagnostics spin-off company) and Synthera Biomedical Pvt Ltd (a dental biomaterials startup). She holds a PhD in Health Sciences from the University of Pune. She was a Chevening Rolls Royce Science, Innovation, Policy and Leadership Programme (CRISP) Fellow at the Said Business School, University of Oxford, UK during 2016. Her research experience and interests include epidemiological profiling and molecular diagnostics for public health diseases.

### ORGANIZED AND SUPPORTED BY

Social Innovation Immersion Programme (SIIP) is a programme conceptualized by the Biotech Industry Research Assistance Council (BIRAC), Government of India under its SPARSH (Social Innovation Programme for Products: Affordable & Relevant to Societal Health) scheme. SIIP intends to create a pool of "Social Innovators" who can identify needs and gaps within communities and then can help bridge the gaps either through an innovative product development or services. Venture Center is an implementation partner for this BIRAC funded program. Focus of this call is on the theme of "Sanitation and Waste to value". **For more information visit <http://www.venturecenter.co.in/siip2>**

BioIncubator at Venture Center was created with support from DBT-BIRAC under the Bioincubator Support Scheme. It has been conceptualized to help innovators in the spectrum of biomass, bioengineering, bio informatics, biomed & agro based industries to ease their enterprises into the ecosystem. Along with infrastructural support in the form of biosciences labs & office spaces, the BioIncubator also provides advisory services, referrals, scientific support, library and information services, Intellectual property services, seed funding & access to talks, workshops & technical training programs. **For more information visit [www.bioincubator.venturecenter.co.in](http://www.bioincubator.venturecenter.co.in)**

Biotechnology Industry Research & Assistance Council is a new industry-academia interface and implements its mandate through a wide range of **impact initiatives**, be it providing access to risk capital through targeted funding, technology transfer, IP management and handholding schemes that help bring **innovation excellence** to the biotech firms and make them globally competitive.
