Training Room
Venture Center
NCL Innovation Park
Pashan Road, Pune - 411008

Dr Jörg Schreiber

Dr. Schreiber joined Roche Diagnostics (previously Boehringer Mannheim Germany) in 1986 and moved to the US in 1994. He held several functions in R&D (analytics, process development) and Operations (quality system, purchasing), before he assumed responsibility for the business unit R&D in the US organization in 1996. After his retirement from Roche, Dr. Schreiber works as Business Development consultant in the Life Sciences and has joined the Boards of The Cientive Group Inc. and AION Diagnostics, which he chairs. Dr. Schreiber holds a Ph.D. in physics from Giessen University, Germany, specialized in biophysics and was a post doc at the National Institute for Environmental Health Sciences in Research Triangle Park, NC, USA.
