Director  
Aavishkaar Venture Management Services

**About Noshir Colah:**

**Noshir Colah** has over 25 years of wide-ranging international experience in top management across sectors. He has been an integral part of three start-up companies. His domain knowledge includes renewable energy and green technology, construction, mechanical engineering and the services sector. His fields of experience covers various aspects of management, including concept & product development, intellectual property rights, licensing and joint ventures, finance, legal, operations, sales and marketing. However, his passion is organization building through the development and implementation of corporate systems. Noshir has earned his M.B.A from Ohio University and is an alumnus of Mumbai's St. Mary's School (ISC), Sydenham College of Commerce and Economics, Government Law College

**About Aavishkaar:** Aavishkaar is a pioneer in early stage investing in the country and has been active in the space for over a decade. They are guided by the fundamental belief that investing in early stage entrepreneurial ventures can not only deliver commercial returns, but also bring about significant efficiencies and developmental impact to rural and underserved communities. Over time, Aavishkaar has built a track record of high impact scalable enterprises in its portfolio that span across seven key sectors, namely Agriculture and Dairy, Education, Energy, Handicrafts, Health, Water and Sanitation, Technology for Development and Microfinance and Financial Inclusion.
