Venture Center – India’s Largest Scientific Business Incubator

**Don't read success stories, you will only get a message.
Read failure stories, you will get some ideas to get success.**

- Dr. A. P. J. Abdul Kalam

Startups with CSIR-NCL roots

Green Pyramid is developing biosurfactant-based products for food disinfection and preservation.

Services and resources for startups

Venture Center Library provides a curated collection of information resources and events for budding and practicing inventors and entrepreneurs.

Contributions to National Missions

Swasthya Bharat Mission

70+% of Venture Center's incubatees are working in the area of biotech/biomed products and services. They are developing new solutions in therapeutics, diagnostics, devices etc. The Venture Center operates a Bioincubator with the largest number of bio-startups in India.

DID YOU KNOW? Venture Center is one of the very few incubators in India that focuses on and can support startups leveraging the chemical, materials and biological sciences and engineering.
