### Sinhagad

Located about 25KM away from the city of Pune, this hill fortress is 2000 years old as per the information available at this fort. Sinhagad which means 'the fort of Lion' has witnessed a number of battles including the battle of Sinhagad in the year 1671.

Sinhagad is situated on the top of the cliff from where you can also see the great view of the beautiful Sahyadri. History says that earlier known as Kondhana, the fort was under the region of Mohammad bin Tughlaq before Shivaji rebelled against Adilshahi and took the charge of this fort in 1647. This glorious history made it another attraction for the travelers.

### Shaniwar Wada Palace

Built in 1732, Shaniwar Wada Palace is another historical building which attracts many Pune sightseeing travelers. Earlier it was under the control of Peshwas of Maratha Empire till 1818 and later lost it to the Britishers. The most highlighted part of this place is its Mughal architectural design which also features the Maratha artistic styles.

There is a famous door of this palace which is 21 feet tall and known as Delhi Darwaza. Due to an unexplained fire, the palace was destroyed in 1827, but the remaining part of the palace was maintained for sightseeing for the tourists. Despite the myth that this Palace is haunted, it remains one of the famous places of Pune.
