Rules for Bio-starter Package Users:

- The maximum capacity of people working in the labs at any time is equal to the workspace units available in the labs. If any additional member of the incubatee companies wishes to monitor the progress of their work as a temporary visitor to the lab can do so by availing a hot desk in BioIncubator. But one should make sure that at a time only as many people can be present in the lab as the maximum capacity of the lab as per the EHS guidelines.
- Minimum configuration must involve at least 1 workspace (WS) unit. Additional table top instrument units and floor space units can be opted along with the workspace units.
- Hot desks as a part of workspace units, will be allotted only after the seating spaces in the labs are completely occupied.
- Venture Center shall allot the specific units to applicants keeping in mind optimum space usage and needs of other applicants.
- Internet connection will be provided only along with seating space.

Note:

- Service tax and other taxes applicable at the prevailing rate shall in addition to the above.
- Price includes all basic utilities –power, generator back up, internet etc and also basic housekeeping.
- Special needs regarding EHS and utilities charged extra.
- Please note that all payments are advance payments

IMPORTANT:

- Please note that with effect from 1 April 2014, all new subscribers (and those seeking extension to existing contracts) to resident services (Lab, Office, Hot desk, Bio-starter package) will be required to compulsorily subscribe to the Address Service.
- This will allow all residents to use the 100, NCL Innovation Park address as their communication address and use the services of the Reception to receive mail/courier/ guests.
- Residents will receive the following discounts for the use of the Address Service:
 - 100% discount on the Brand Fee
 - Residents do not have to pay for the AIP component of the fee.

For standard discounts, please visit <http://www.venturecenter.co.in/discounts.php>
