कोरोना विषाणू उद्रेक २०१९

To,

Director,

Venture Centre Pune.

Respected Sir,

We are very thankful for your generous donation of 200 N95 masks manufactured by you. This is a great humanitarian work in this Corona pandemic situation. We are really happy to share with you that, the masks provided by you are of a great quality and we have started using them already at our Darasha Covid lab in Solapur.

It's really a great initiative by Venture Center Pune. Also thanks to IITBAA Pune chapter for introducing us to you. Keep up the good work and we will contact you again if we need more masks.

Thank you,

Yours faithfully
