NCL Innovation Park hosts CSIR Exhibition. Venture Center featured in CSIR Exhibition

The NCL Innovation Park, Pune hosted an exhibition on April 2nd & 3rd 2010 that showcased the various constituent labs, broad range of research & development projects, and important strategic achievements, of the Council of Scientific & Industrial Research (CSIR).

Dr. Samir K. Brahmachari Director General, CSIR inaugurated the exhibition on April 1st, 2010 in the presence of Dr. R.A. Mashelkar ex-Director General, CSIR and Dr. S. Sivaram, Director NCL.

The exhibition got quite an enthusiastic response from over 2000 Pune residents, with a continuous stream of visitors including local entrepreneurs, scientists, working professionals, college students and a large number of school students.

NCL Innovation Park's anchor resident – the Entrepreneurship Development Center ('Venture Center') – was prominently featured in the exhibition as well. The DST-NSTEDB supported technology business incubator showcased the various programs and services offered to technology entrepreneurs and startups.
