**General requirements and expectations from Venture Center employees:**

- Venture Center is a non-profit organization with aims to benefit society by promoting entrepreneurs and start-ups. Thus, Venture Center seeks employees and consultants who have a strong interest and passion in seeing technology innovators, entrepreneurs and start-ups succeed, and have a strong "service" ethos.
- A strong feature of Venture Center jobs is the rich learning environment and opportunity provided to employees to experiment, take initiative and is creative. The work of most employees has visible impact which can be satisfying. All employees benefit from access to high quality facilities and work environments. Compensation packages can be flexible but are often conservative due to Venture Center's non-profit status.
- General requirements include: a) strong ethical standards and work ethics, b) comfort with computers, computer applications and internet, c) strong communication skills – spoken and written.
- Venture Center's working hours are 9 AM – 6.00 PM (Monday to Saturday) and are designed to keep operations of Venture Center convenient for the start-ups, entrepreneurs, inventors and others that the organization serves. All jobs are located at Pune, Maharashtra, India.
