Mr. Vikas Kumar

Director, SME Networks Pvt. Ltd
www.smejoinup.com

About the speaker

Mr. Vikas Kumar has over twelve years experience in the software industry with the majority of it as a CTO of Brainvisa which he founded along with his partners in 2000.

After having exited Brainvisa he has been investing and working with various start-ups in various domains like Groffr.com, Engrave.in, 1learning Vayaya Labs and Mobikon Technologies

He co-founded SME Networks which is India's first Network dedicated to SMEs and aims to create the largest transaction platform for service providers reaching out to SMEs.

About the talk

A Start-up to start and then survive needs funds at every stage. The talk helps start-ups open their minds to various sources of funding other than debt and equity.

The discussion will cover various types of funding with live case studies .

Reference of the book titled "Start-ups ! Finding Funding" will be used extensively

About Venture Center

The Venture Center is a technology business incubator specializing in technology startups offering products and services exploiting scientific expertise in the areas of materials, chemicals and biological sciences & engineering. Venture Center strives to nucleate and nurture technology and knowledge-based enterprises by leveraging the scientific and engineering competencies of the institutions in the "Pune region" in India.
