Mr. Supreet Deshpande

CEO, VLife Sciences Technologies Pvt. Ltd

About Mr. Supreet Deshpande

Supreet is the visionary behind VLife and is the architect of VLife's technology platform. He received the prestigious *BioSpectrumAsia Entrepreneur of the Year 2011 Award* on 16th December 2011. With an international career of over 17 years in various senior strategic positions in large companies like Mahindra & Mahindra Ltd and Bajaj Auto Ltd. Developing new markets, designing and implementing business strategies and leading market linked product strategies are some of the key areas of his contribution.

About VLife Sciences Technologies Pvt. Ltd.

VLife offers solutions for Computer Aided Drug and Molecular Discovery. Their predictive technologies find application in molecular level modeling, simulation, analysis, visualization and interpretation. It finds many applications in molecular level studies, in analyzing what-if scenarios and taking informed go/no-go decisions during the discovery process.
