Scope for Improvement to make it effective

Great session today.. Had a wonderful experience!

The sessions are good and informative.

Excellent session

Mail slides of the speaker

Could we get the information for the speakers beforehand so we can research their companies and profiles?

Communication and Presentation session was excellent.

There were audio issues for second session. Also, the content was appeared to be from one of the corporate presentations

No

Second session 'Managing HR in startups' had a poor audio quality, also sorry for being critical but the second session 'Managing HR in startups' was not good.

Kindly share the recording/video of the sessions as well. Slides are helpful but respective speakers discuss a lot in between the sessions. Especially, the session conducted on Essentials of Law and Finance, was totally new and difficult topic. It would be great if the recordings are shared so that we could go through them and could relate.

Thank you

i suggest creating a whatsapp group to be a platform for knowledge sharing.

Thanks

Please share the recording if possible
