

ENTREPRENEURSHIP DEVELOPMENT CENTER

Amendments to Tender Number- EDC/H2CoE/2025-26/001

Item Description: Procurement of 1KW Electrolyser Test Station

A press tender notice was issued on 03rd September 2025 for the procurement of 5KW Fuel Cell Test Station under the two-bid system.

The following amendments were recommended by the technical committee.

Specification Reference	Existing Nomenclature	Amended Nomenclature
Ch 2, Sr. No. 2.2	Delivery and installation timeline is 90 days.	Delivery and installation timeline shall be 150 days.
Ch 3, Sr. No. 3.4.1	Delivery timeline is 2 months.	Delivery timeline shall be 4 months.
Ch 3, Sr. No. 3.8.2	Installation and demonstration timeline is 15 days.	Installation and demonstration timeline shall be 30 days.
Ch 3, Sr. No. 3.10.1	Comprehensive warranty period is 5 years.	Comprehensive warranty period shall be 2 years, with bidders required to additionally quote for an optional extended warranty of 3 years.
Ch 3, Sr. No. 3.10.6	Support through the Centre must be available 24 hours in a day, 7 days in a week and 365 days a year.	It is desirable to have support available 24 hours in a day, 7 days in a week and 365 days a year; however, vendors may indicate the best level of support that can be realistically provided.
Ch 3, Sr. No. 3.15.2	Supplier is liable to pay liquidated damages of 1% of order value per week of delay, subject to a maximum of 10% beyond the due date.	No change; the LD clause shall remain as originally specified since the extension of delivery, installation, and demonstration timelines has been accepted.
Ch 4, Sr. No. 10,11,12	Cell Fixture (including materials, compression control, and electrical contacts) is specified as mandatory.	The Cell Fixture itself shall be optional , allowing bidders to propose suitable alternatives that meet the required functionality.
Ch 4, Sr. No. 70	Vendor should provide quote for AMC and CMC package after the warranty period.	Comprehensive warranty shall be 2 years as requested, with bidders required to additionally quote for an optional extended warranty of 3 years beyond the mandatory period.

Ch 4, Sr. No. 73	Analysis software is mentioned as optional.	Analysis software is essential and this will be corrected in the tender document.
Annexure A - Sr.No. 7 a	The Price Reasonability Certificate format is not attached in the tender document.	The Price Reasonability Certificate shall be submitted in the vendor's own format .
Annexure A - Sr. No.7 b	Copies of the last two supply orders of the same item from other customers must be attached with the quotation.	Instead of customer-specific orders, global purchase orders and acceptance certificates can be submitted as proof of previous supply.
Annexure A - Sr. No.21	Copies of the last two supply orders of the same item from other customers must be attached with the quotation.	Instead of customer-specific orders, global purchase orders and acceptance certificates can be submitted as proof of previous supply.
Ch3, Sr. No. 3.5	The Security Deposit will be refunded to the vendor only on successful installation of the Multi Angle Light Scattering Detector.	This will be modified in the tender document to read: " <i>This Security Deposit will be refunded to the vendor only on successful installation of the 1 kW Electrolyser Test Station.</i> "
Ch 4	Anode and Cathode Electrolyte Flow Rates are not mentioned.	The suggested flow rates of 1 SLPM for both anode and cathode electrolyte are accepted.

The terms and conditions of the notice issued on our EDC website <https://www.venturecenter.co.in/tenders/> will remain unchanged.
